Professional Associations

As members of the Interior Plantscapers Association and the Green Building Council, Bidvest Execufloora has the know-how to develop a green strategy that works for you.

Green Building Council

The Green Building Council South Africa (GBCSA) is an independent, non-profit company that was formed in 2007 to lead the greening of South Africa's built environment.

Green Building Council South Africa developed the Green Star SA rating system and is the official certification body for Green Star SA projects. They are a dedicated team of industry experts working in collaboration with industry bodies, leaders, government departments and professionals to develop market-based green solutions for the South African property industry.

IPSA

The Interior Plantscapers Association was founded in 1982 and encourages interior plantscapers to develop new ideas and to network in an attempt to establish standards, as well as a code of ethics for its members.

Indoor Plants

Execuflora was established in 1979 and has emerged as a market leader servicing in excess of 90 000 planters per week for over 3000 clients nationally. Our clients include:

- Medium and small businesses
- Malls and shopping centres
- Corporate offices
- Hotels & restaurants

Our comprehensive range of pots are sourced both locally and internationally. All indoor plants are fully acclimatised to provide best practise standards.

Green wall products

Bidvest Execufloora has extensive experience in the supply and long-term maintenance of green wall products.

We have a comprehensive range of green wall products, including small single wall units, mobile green walls and both interior & exterior green wall solutions.

Silk Flower Rentals

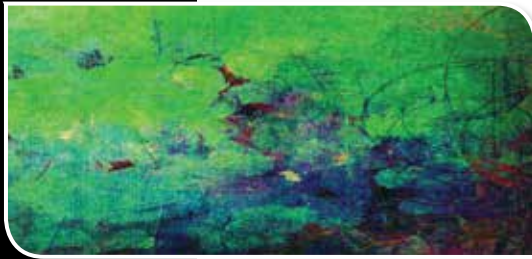

Silk flowers in stylish vases add visual appeal and colour to your offices. Playful, elegant, sophisticated or pretty... choose from a variety of silk arrangements for your focal areas.

Art Rental

We have a comprehensive range of art rental products, including canvas, perspex, aluminium prints, limited edition prints and fine art.

Short Term Event Rentals

Use plants in pots to create a look on your exhibition stand that perfectly reflects your brand. Hip and happening, or cool and classical.... choose from pots in colours and styles to match your brand identity.

With offices in Gauteng, Kwazulu-Natal and the Western Cape, we are able to offer services to you regionally or nationally.
